Quick Co-Parenting Tip: Winter Holidays

With **Christmas** a few weeks away, winter too is near. December is rich with nationally recognized special calendar **events** for loved ones to celebrate together. Be sure to have a **clear holiday schedule** in place for **joint-custody** agreements and **always put the children first** when working to reach an agreement. Often custody agreements require that parents **rotate** holidays. Be sure to know your schedule in advance so these **special dates** are smooth for everyone to enjoy with **happy tidings** experienced by all.
