Archie brightens Kennett Square as firm's cherished office cat

The Sheridan family adopted Archie in 2020. He's frightened of big dogs and found a purrr-fect place to shine as the official office cat at Sheridan Lawyers in Kennett Square.

Archie enjoys playing with kitten toys and basking in the sunlight. He also loves to watch the action-packed every day happenings in the borough from the vantage point of different office windows.

BETTER THAN YESTERDAY

Sheridan Lawyers united for a special day of learning with Crisp trainer Mariko Antonacci, who shared insight on our results from the Kolbe instinctive strengths assessment on February 1st. We gained much insight as individuals and grew stronger as a team.

Pro Tip

FAMILY LAW

Have you tried mediation to resolve your custody issue? The process of mediation is an opportunity for the parties to have a discussion in a safe and neutral environment with a trained professional who will facilitate that discussion while the parents try to resolve their custody issues. This is one way to keep things amicable and stay out of the courtroom!
