Employment Law Win

This past October, a wrongfully terminated Worker has regained her unemployment compensation benefits by proving, with the support of our Employment Lawyer, Joann Drust, that she was not fired for willful misconduct, as falsely alleged by the Company.

WHAT HAPPENED?

After six years of superior performance with this Company, this Worker was terminated for alleged retaliation against a subordinate and then denied unemployment compensation benefits on the grounds of willful misconduct.

She appealed. Further, attempts to negotiate amicable resolution with Company to no avail.

At a hearing before UC Referee, the Company presented four witnesses and a slew of self-serving documents against solo Worker, who had no access to her Company file.

RESULT:

After 6 hours of testimony and argument, our client emerged victorious thanks to the hard work and advocacy of Joann Drust.

Our Client received full reinstatement of UC benefits, that she would have otherwise have lost if she had not appealed with an attorney at her side. At Sheridan Lawyers, we ensure your story is told. [See more on Page 11.](#)

OUR TEAM IS HERE FOR YOU! _____

In a custody battle? Always put the child first!

PRO TIP: Remember, there's no guaranteed way of winning your custody battle, but it's very easy to lose if you make emotional decisions in the moment. Instead, slow down. Make mindful decisions that always put your child's needs above your own. Taking time to cool down not only benefits your child — this course of action also improves co-parent communication.

Family Promise

This holiday season, Sheridan Lawyers donated four boxes full of children's books to Family Promise of Southern Chester County. Literacy has the power to transform communities! Together we can make a difference!

TESTIMONIAL

My experience using Sheridan lawyers was **nothing short of phenomenal**. They did an amazing job at presenting our side in my case and **really stood up** for what was best for my family in court. They took the time to dive in and get down to the bottom of **every last detail**. My favorite part about having Holly and Alyssa on my side is that they were there to **support me emotionally** as well. It meant the **world to me** for them to be so supportive in one of the most crucial times in my life. They were always there to answer questions over the phone and really listened to what I had to say. **I would recommend them to anyone and everyone!** To say they go above and beyond doesn't even cover just how far they go to support you and help get the best outcome for you and your family. **When choosing a lawyer** it was imperative that I found someone who took the child's side in a Family Court case over every one else. If you're looking for **someone who will stop at nothing to advocate** for you or your children look no further, **Sheridan Lawyers is absolutely the way to go!**

Holly's Xmas Delight

Winter Recipe

Since there's no better time to bake than the holidays, I am taking this opportunity to share with you all my favorite Christmas recipe. Enjoy with much festive cheer!

— Holly K. Sheridan

Christmas Crepes

Ingredients:

- 1 1/2 cups all-purpose flour
- 1 tablespoon granulated sugar
- 1/2 teaspoon baking powder
- 1/2 teaspoon salt
- 2 cups milk
- 2 tablespoons butter, melted
- 1/2 teaspoon vanilla
- 2 eggs
- Butter, margarine or shortening
- Applesauce, sweetened berries, jelly or jam, if desired
- Powdered sugar, if desired

Directions:

- In medium bowl, mix flour, granulated sugar, baking powder and salt. Stir in milk, 2 tablespoons butter, the vanilla and eggs. Beat with wire whisk just until smooth.
- Lightly butter 6- to 8-inch skillet or crepe pan. Heat over medium heat until bubbly. For each crepe, pour slightly less than 1/4 cup batter into skillet. Immediately tilt and rotate skillet so thin layer of batter covers bottom. Cook until light brown. Run wide spatula around edge to loosen; turn and cook other side until light brown. Repeat with remaining batter, buttering skillet as needed.
- Stack crepes, placing waxed paper between each; keep covered. Spread applesauce, sweetened berries, jelly or jam thinly over each warm crepe; roll up. Be sure to fill crepes so when rolled the more attractive side is on the outside. Sprinkle with powdered sugar.

Happy Baking!
