

PUPPY LOVE

2024 IS HERE! We hope everyone is enjoying the **New Year's fresh start** and the beautiful snowfall that has suddenly appeared in **Chester County** this wintery January. With **Valentine's Day** soon approaching, we are thrilled to announce the newest pup-additions to the Sheridan Lawyers' family! Holly Sheridan is the proud new pup-momma of a toy poodle named **Bernadette Goldie**, affectionately called **Birdie**! Just before Christmas, Meredith Wright welcomed home **Cookie**, a very sweet girl Labrador. As Charlie Brown once opined: **"Happiness is a warm puppy!"**

FAMILY LAW PRO TIP: SNOW DAYS ❄️

If you share custody of your child with another parent, it is essential to maintain open and clear communication about snow days. **Discuss plans** in advance. Be prepared to **be flexible** with your parenting schedule. Weather can be unpredictable, so having the ability to adjust visitation times can reduce stress and conflict. **Always prioritize the safety of your child.** If the weather conditions are hazardous, it may be best to reschedule visitation or make alternative arrangements to ensure your child's well-being. **Keep records** of any changes to avoid misunderstandings or to help settle disputes in the future. Emails and text messages can serve as documentation. Remember that Family Law matters can vary based on jurisdiction, so it is advisable to consult with a legal professional for specific advice tailored to your situation. **At Sheridan Lawyers, our team is here for you!**
